

VUYANI
SAFARI RESORTS

FOR YOUR INFORMATION

Due to worldwide Covid-19 regulations and travel restrictions, we at VUYANI have put in place carefully considered procedures and protocols to protect our guests and staff.

We also used the down time in 2020 and 2021 to improve and renovate the lodges, to make sure we keep up the high standards expected at VUYANI.

The VUYANI Resorts adhere to the strictest hospitality protocols issued by The Tourism Business Council of South Africa as well as World Health Organisation recommendations.

We have taken extensive additional measures to ensure complete peace of mind for our guests by enforcing strict social distancing across our operations.

Additionally, all VUYANI FOH staff, Guides and Trackers are fully vaccinated!

We look forward to once again giving our guests a complete experience and a perfect stay.
